Handling of the scores from TOEFL iBT Special Home Edition, TOEFL ITP Plus for China Solution and IELTS Indicator for applicants to the Integrated Science Program at Hokkaido University (Undergraduate Entry, 2021 Enrollment)

Considering the cancellation/postponement of English qualification tests due to the impact of the coronavirus outbreak, we will handle the test scores for applicants to the Integrated Science Program at Hokkaido University (Undergraduate Entry, 2021 Enrollment) as follows:

1. Score reports of TOEFL iBT Special Home Edition will be acceptable and the score must be 79 or higher.
2. Score reports of TOEFL ITP Plus for China Solution will be acceptable and the score must be 550 or higher.
3. Score reports of IELTS Indicator will NOT be acceptable.
