

Letter of Recommendation

For 2027 enrollment in Hokkaido University's Integrated Science Program

Instructions to the Recommender

This letter of recommendation should be written by a teacher who knows the applicant and their academic achievements/character. (Note that the recommender should NOT be a relative or a friend of the applicant.) If the applicant has special circumstances and cannot submit a recommendation letter written by a teacher, please contact the Office of Admissions by e-mail prior to the application period.

The nominated party should fill in both sections of this letter. The recommender is required to print the finished letter and sign it by hand (no e-signatures), and to authenticate it with the official school/institutional stamp. The recommender is also required to send it directly to the Office of Admissions Hokkaido University in a sealed envelope with recommender's signature across the seal at the back. Please use only the form provided and do not attach additional paper. The admissions committee may contact the recommending party using the details given below if further clarification of the applicant's qualities are required.
