## Modern Japanese Studies Program Curriculum Map (For students enrolled after 2023)

1 0	1		
1. Possessing a frontier spirit <b>DP5 DP6</b>	2. Having global perspectives DP1 DP2 DP3 DP4 DP6	3. Gaining an all-round education DP1 DP2 DP5	4. Engaging in practical learning <b>DP4 DP6</b>
Japanese proficiency]			
P1 Students will learn the fundamentals of reading, w	riting, listening and speaking in Japanese, and will develop the ab	ility to use Japanese for research and other activities in their fi	elds of specialization.
[Multi-faceted knowledge about modern Japan]			
P2 Students will acquire knowledge in English about t	he thought, culture, history, institutions and other aspects of Japa	n, which serve as the foundations for modern Japanese studies	
P3 Students will also develop professional expertise in	literature, education, law, political science, economics and other fie	elds in Japanese.	
The ability to think from an international perspective	/e】		
P4 While learning with their Japanese peers, students	will come to clearly understand the similarities and differences be	etween their cultures/lifestyles and those of Japan, and will dev	elop cognitive ability that will support well-balanced
judgments on today's complex social issues.			
Understanding cultural identity in Hokkaido			
P5 Students will consider the diversity of Japanese soc	iety by engaging in academic pursuits in Hokkaido, which has an	ecological and multicultural environment different to other par	ts of Japan in terms of natural features, indigenous
people's culture and other aspects of life.			
The drive to help develop new relations between Japan and	he rest of the world		
<b>P6</b> Rather than simply becoming fluent in the Japanes	e language students will receive a thorough education in the coun	ntry's literature history education law politics economy and o	other aspects, and will develop a detailed understandin

**DP6** Rather than simply becoming fluent in the Japanese language, students will receive a thorough education in the country's literature, history, education, law, politics, economy and other aspects, and will develop a detailed understanding of its society and culture. They will also have a strong drive to help serve as a bridge between Japan and other countries.
